# welcome

Thank you for your time and interest in our sale offering and program. We would like to invite you to join us at the ranch, located west of Brewster, NE, where we will be offering 60 coming 2-year-old virgin Registered Angus Bulls and one well-trained male working dog. Arrive early to enjoy coffee and donuts while watching us pen the bulls. We will serve ribeye sandwiches for a lunch before the sale.

We would especially like to draw your attention to Lot 25. The proceeds from this bull will be donated to the Nebraska Cattlemen's Ball, benefiting the Buffett Cancer Center in Omaha. This donation is made in honor of my wife of 36 years, Teresa, who courageously fought but lost her battle with ovarian cancer in August. You can read more about Lot 25 and this project on page 8.

At our operation, we take great pride in balancing environmental stewardship with raising high-quality cattle and making the two goals work together. The bulls have been developed on range and supplemented with cake only during dormant grass seasons.

Frank and I are happy to give you a tour of the sale bulls at your convenience. Please don't hesitate to call us to discuss the bulls or set up a time to visit. Thank you again for your support and interest. We look forward to seeing you on February 8th.

*Sincerely, Kevin Keyes*

AT THE RANCH - BREWSTER, NEBRASKA

## A NOTE FROM OUR RANCH MANAGER

First, let me say thank you for your interest in our program and welcome to our sale! One thing of difference, that I would like to point out this year is that this set of bulls is slightly younger than those of previous years. We have fully moved all our mature cows to an April 20th due date and the heifers to a March 25th due date. This decision has helped us better match our cows to our environment and hopefully the environment of most commercial ranches. Along with this change we also implemented a shorter breeding season for both the cows and the heifers. The cows are now bred for 50 days, and the heifers for 45 days. We believe that continually challenging our cattle to thrive on less is one of the best ways to help you, as producers, find a more profitable outcome for your operation. We believe that even with today's extremely strong cattle markets, that fertility and the ability to survive in a low input operation, is key to the profitability of not only our ranch but yours as well. To that point, I would like to note that this set of bulls has only received 14 bales of hay in their entire life; that number is across this entire group of bulls.

As you look through this set of bulls you will notice that we are not chasing trends, numbers, or fads. We are offering bulls with predictable numbers, grown slow on native range and cake, that know how to travel the country, and get the cows bred. Our summer started out with good moisture but quickly turned dry, as I am sure many of you also experienced. These bulls rotated through the ranch on a regular basis throughout the summer and fall, so they are no strangers to long walks and big hills. This is as strong a set of bulls as we have ever offered for sale.

I would like to thank you for your interest in our program and extend an invitation for you to come and view the bulls at any time; we would love to visit with you and answer any questions that you may have, Please feel free to give Kevin or myself call.

*Sincerely, Frank & Suzette Utter*

We're honored to offer Lot 25 on this year's sale in a special way. The proceeds from the sale of this bull will be donated in honor of Teresa Sue Keyes—our wife, mom, dear friend and partner in Keyes Angus.

Teresa and I grew up just three miles apart on our family's farms near Springfield, Nebraska and met at our 4-H club meetings when we were young. The county fair was a place we'd spend a lot of time together and eventually fall in love. We got married on June 25, 1988 and raised three wonderful daughters who blessed us with three dear sons-in-law and eight cherished grandchildren. Teresa was my anchor in every adventure I chased and together we built our farm and cattle operation to what it is today. She battled cancer in the last years of her life and passed away this past August with me and her family by her side. We miss her so much.

When I decided to make this donation from our sale, I knew that it needed to be a bull that represented Keyes Angus and our family. I also needed it to be somewhat random and since it's 2025, 25 seemed to fit—even more fitting, we were married on the 25th 36 years ago.

As I looked through the bull pasture and picked the lead bulls of each sire group, this Justify X Royal Pride 0126 grandson—tattoo 3145—rose to the top. Both of his parents were born in 2019 which is the last year that our cows lived in Springfield, our hometown. The maternal grand-dam as a heifer was Reserve Angus at the Kansas City Royal (Don't hold that against her... Frenchie was long-bodied, free-moving and loved the attention of the show ring.) for our youngest daughter Michelle. 3145 had to be the one. He fell right into place in Lot 25 for Teresa.

The proceeds from his sale will go to The Cattlemen's Ball of Nebraska. Each year they raise millions of dollars for cancer research and for the Fred and Pamela Buffett Cancer Center in Omaha where Teresa received her treatments. Teresa and I enjoyed attending The Cattlemen's Ball when our schedule allowed and had hoped to host one day. Thank you for your consideration of this worthy cause.

# Kelpie Male Dog

Ladies and Gentlemen, Cattlemen and Cattlewomen, Cowboys and Cowgirls, and everyone in between, meet Ringo, aka 'Johnny Ringo'. He is a coming 3 year old grade Kelpie born March 15th, 2021. He is a stout built, red and tan dog with a big motor. Don't let his intense demeanor fool ya, he is a sweetheart when he doesn't have his work face on, and super great with kids especially if they are playing fetch with him. Ringo likes mad momma cows but he really shines with the calves and yearlings. He has a super good cast/gather to him! Especially loves it when there might be a few critters on the wrong side of the fence. Ringo is selling as a working dog but has the potential to make a super nice trial dog. This four legged, sharp tooth machine has been many miles on the Keyes Angus ranch, and other ranches along with the sale barn. This dog will make someone a valuable asset to the ranch or farm. Best thing about Ringo, he loves to work and won't ever talk back and complain to you.

I want to thank Larry Day for all the years of helping me sharpen my dog handling skills along with Kevin Keyes and Frank Utter for hiring my dog and letting me tag along! Don't miss out on Ringo, he has the potential to become your best hired man along with being your best friend, see you at the sale!
